

Media Toolbox 6 not activated for X-Fi Titanium Card

Keywords / Key Phrases: media toolbox 6, media toolbox

I would like to inform you that the Media Toolbox in your X-Fi Titanium series sound card is a trial version and does not come with activation key unless you have purchased the full version.

The activation key from the Dolby Digital Live found in the X-Fi Titanium will not work for the Media Toolbox. If you have not purchased the full version Media Toolbox, you can purchase it at the following link: <http://buy.soundblaster.com/>
